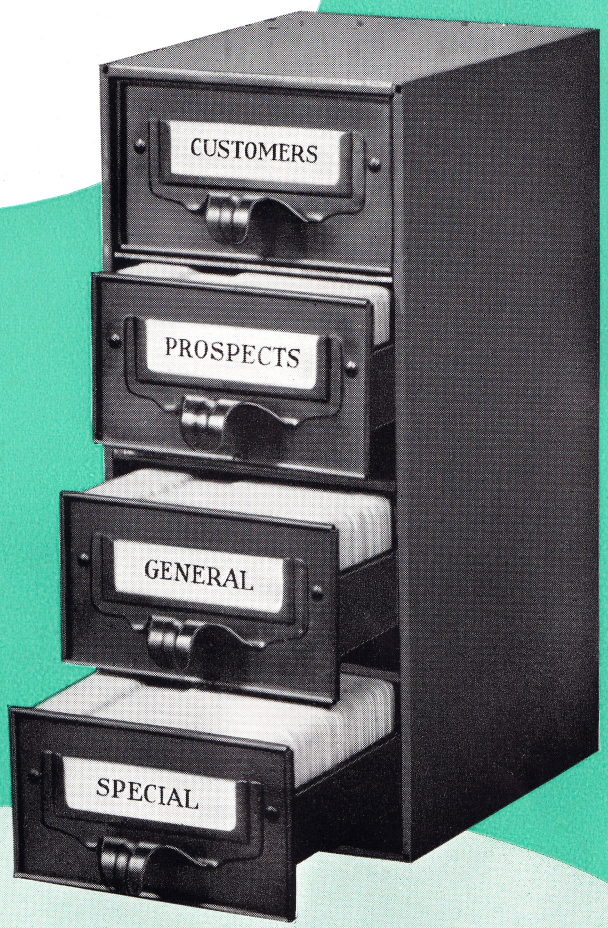
Elliott

4-DRAWER FILING CABINET



for 2" x 4½" stencils

All steel, dustproof, beautifully finished in gray Hammerloid enamel with drawer handles and index-card holders to match. Built on the unit principle and specially designed for small mailing lists. Additional units may be joined to both the top and sides as the mailing list increases.

Height—11¾"; width—5¼"; depth—7".

Each of the 4 drawers may be labeled, and will hold 125 Elliott 2 x 4½" Address Cards—giving a total capacity of 500 cards.

Total weight of each drawer when filled 1 lb. Drawers may be used to load and unload addressing machines—thus the alphabetical sequence of address cards is never disturbed.
